I authorize the American Print Alliance ("Alliance") to post a digital representation of my artwork at its website. "Artwork" means an image of my own ORIGINAL work in the media of prints or artists' books. The digital representation of my artwork will be included in the Print Bin at www.PrintAlliance.org while I am a current subscriber to *Contemporary Impressions* as a free benefit, which has no separate or redeemable value. I promise to donate to the Alliance 15% of the purchase price of any sales – direct or indirect – that are the result of this exposure, i.e. sales of this artwork or of other artwork to a person or institution whose contact with me was due to the Alliance website. The Alliance is a 501(c)(3) non-profit organization and this contribution may be considered a donation (ask your tax advisor if you have any questions).

The Alliance reserves the right to refuse to post or publish my artwork at the Alliance's sole discretion. Captions may not include advertising or publicity for any workshop, gallery, dealer, material or equipment.

I warrant that the image or artwork is entirely owned by myself and does not violate any copyright, trademark, intellectual property or other laws, and that the information provided on this form is true and accurate in all respects. I hereby indemnify and agree to defend and hold harmless the Alliance from any intellectual property or other infringement claims asserting any unauthorized use of another person's work and from any defamation, libel or similar claim. I agree that the Alliance shall not be liable for any intellectual property claim that arises from the unauthorized use of my artwork by any third parties. The Alliance recommends that artists register their work with their country's Copyright Office for international legal protection.

I authorize the Alliance to scan, reproduce, transmit and display my artwork and contact information electronically for on-screen viewing on a non-exclusive, royalty-free and worldwide basis. To the extent that such scan or reproduction constitutes a derivative work under the copyright laws, I expressly grant to the Alliance permission for such derivation of my artwork, and I hereby waive my rights under the Visual Artists Rights Act and any other state law or law of a foreign country regarding my moral rights of integrity in the artwork with respect to its inclusion in the Alliance website.
